

Jørgen B. Thulstrup

Consultant / Architect / Project Manager

📍 Aarhus, Denmark | +45 2880 6630 | thulstrup@dk.ibm.com | <https://www.linkedin.com/in/jthulstrup>

Jørgen's work has its focal point in the tension between business development and IT. With more than twenty years of experience in the IT industry Jørgen has helped many private and public companies in various ways to analyse and develop the business IT usage. Jørgen has been involved in many small and large projects in many formal and informal project groups, both as a consultant, developer, project member and project manager; amongst corporate management, IT department and the business.
